Terms of Use

This digital download and printouts made from this download are for sole use of the buyer and are to be used for single classrooms only.

In other words, please don't share!

Let's keep it real, I work hard to make these resources for you and your students to enjoy. And while I do encourage you to pass on information about my store and the digital products that I make, I would great appreciate you refraining from sharing this download or copies made from this download with other teachers or persons.

Also, this digital download and printouts made from this download may not be resold.
