

Letter Z Craft

Letter Z Craft

Directions: Print out the "Z" on black paper. I precut the Z when I did it with a pre-k class. Precut thin strips of black paper 12 inches in length. Students will color the zoo animal picture. They then glue the zoo animal picture on a piece of 9X12 construction paper. Next, they glue the Z on top of their colored pictures. Then they add the black bars. Finally, they trace over "z" and "zoo" and paste it on their picture.
